DEDICATION

BUD KNEELAND

Every school day a wide-eyed, rosy-cheeked fellow wearing the latest G.Q. fashion and shiny brown leather shoes brings into the often humdrum atmosphere a delicate twist of humanity and good will. His name is **Rufus (Bud) Kneeland**.

Anyone who has ventured through the Junior Hall can easily testify to his cheerful and pleasant disposition. "It's incredible how he manages to smile and whistle so much", comments Jeff Nissenbaum. "He is sort of like the Pillsbury Dough-Boy minus the Chef's hat".

Mr. Kneeland doesn't spend all of his time cracking jokes and whistling patriotic melodies. He teaches Driver's Education and Physical Education. "It's the best of two worlds", he relates. "I can enjoy both the in-classroom experience of Driver's Education and the out-of-class freedom of Gym. In this way, I can see how the kids handle themselves in separate environments."

It is more than the school system that has treated Mr. Kneeland well. The students have also made his stay more pleasant. He says, "The students are a diverse group of people. They are above average intellectually and have sound minds. These characteristics make it more interesting for me to teach."

It's obvious that Mr. Kneeland likes kids. If he were teleported to Kansas or Oklahoma, for example, I'll bet he would still teach, even if it meant teaching kids to drive tractors, pick corn, or shoot coyotes.

It's probably this keen interest in teenagers that has also led Mr. Kneeland to coach Varsity athletics. Although now he only coaches the Golf Team, Mr. Kneeland previously coached both Varsity Football and Varsity Basketball. From these experiences as Coach, Mr. Kneeland believes that every school should be equipped with a strong sports program. "Schools help an individual to think clearly and to understand the methods of our society and others; however, the education found in a school system does not teach the student to think actively. In sports, an individual doesn't have time to write a ten-page paper on his activities. He or she must reason clearly under pressure and still manage to choose the best option."

Besides his pro-athletic attitude, Mr. Kneeland possesses a fierce patriotism. To him, the American Flag represents 207 years of the "right" way. Some students call him a conservative. Others call him a creation of his own generation. These names don't bother him. He believes in what he says about America and he's willing to share these views with anyone who cares to listen.

So if you feel like discussing the U.S. involvement in Lebanon or whether or not the Patriots will make the playoffs, I've got just the man for you. You can find him either rewinding an outdated Driver's Ed. film or teaching a gym full of teen-agers to stretch in unison to Jane Fonda's workout record, but when you find him, you'll know you've found a friend.

— M.M.

For the last 17 years the High School Science Department has been privileged to have **Jennie Oberlander** as an instructional aide. Mrs. O. has offered precise and consistent support to our science staff. She has provided help in situations which required effort and understanding far beyond what could reasonably be expected of an aide. Mrs. O's quiet efficiency, dependability, and knowledge have been major factors in the development of excellent laboratory experiences for our students.

No task has been too demanding or too mundane for her to assume and accomplish. She is generous with her time and energy whether working with teachers or students.

Mrs. O's kindness, caring and competence continue to serve as examples for all of us.

SOPHOMORES

The **Sophomore Core Committee** under the leadership of President Eric Davis, Vice President Darcie Dersham, Secretary Kerry Garvey and Treasurer Kelly Gaugher, had its first rude entry into the High School during Booster Days. After being clobbered in both the hall decorations and the skit, the float saved the day and our honor by taking first place. With our Advisors Buzz Bray and Dave Harlow, the class of '87 looks forward to becoming the best. Look out upperclassmen - here we come!

JUNIORS

Well, the **Junior Core Committee** survived its second Booster Week — if not with dignity, then with a little pride and uniqueness (uniqueness?). Where else did you get the flash, peanut brittle, and a toilet seat in one week? With the help of Evelyn Goldenberg, Tom Styspeck, John Adams, and George Washington, we are looking forward to having a successful year.

What Will You Remember Most About

When we asked the above question to students, we got varying responses. Of course we all remember our teachers and our friends, but many things that happened here were outstanding and memorable, too. Here are some of those things . . . - Corwin Green

- . . . Mr. Briggs' "O.K. people, that's all the time we have"
- . . . Wanting to sleep late in the morning
- . . . The stupid pass system
- . . . The victorious Football Team
- . . . Those yummy school lunches
- . . . The candy-cane striped hallways
- . . . Hanging out in front of the school
- . . . Those funky haircuts
- . . . The Seniors' Purple Rain
- . . . The scheduling screw up
- . . . The permanently reclining chairs in Rm. 5
- . . . Spacious lockers
- . . . Mrs. Gouin's announcements over the all call
- . . . Pulling tables together at lunch
- . . . Those quiet homerooms
- . . . Mr. Jacobs, the teaching machine
- . . . Mr. Minks' "Uh . . Uh . . I need a coffee"
- . . . Clove cigarettes

A.R.H.S. 10 Years From Now?

THE A.B.C. HOUSE

A.B.C. House: 1st r: S. Campbell, E. Mitchell, G. Lightner, V. Alexander. 2nd r: M. Weathington, R. Tripp, L. Mercado, P. Cooke, D. Calderon.

The **A Better Chance** Program is a nonprofit organization whose goal is to increase substantially the number of well educated minority people who can assume responsibility and leadership in American society. That goal is being realized. A.B.C. has recruited more than 8,000 able minority students and placed them in excellent schools. By continuing to give bright youngsters a better chance, A.B.C. helps the students, enriches the schools and colleges they attend, and benefits the society to which they will contribute their talents.

Students must be in the top 10 percent of their class, have a grade-point average of at least 85, score well on the Secondary School Admission Test, have solid academic and personal recommendations, and demonstrate motivation for a challenging educational experience.

After recruiting students and placing them in quality secondary school situations, A.B.C. provides counseling for the students and their parents and for the schools the students attend. This is done through a network of regional directors based at Barnard, Brown, Carlton, Dartmouth, Duke, Penn, Williams, Yale and Western Reserve Academy. A.B.C. also provides partial scholarship aid to almost all the students. Of more than 3,000 students who have graduated from their A.B.C. schools, more than 94 percent have continued their education at colleges/universities throughout the U.S. - Gino Lightner

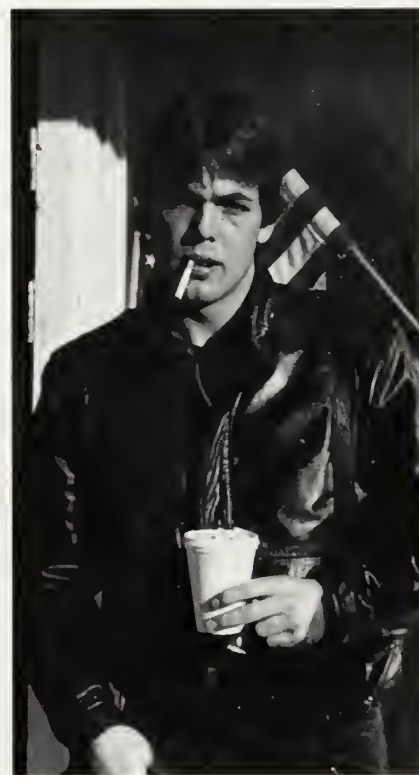

THE ALTERNATIVE SCHOOL

The **Alternative High School Program** at the So. Amherst Campus is for students who need a more personalized academic learning environment. Classes are smaller in number so the student gets more attention.

The sense of community at the program helps people gain a high level of responsibility, fellowship and belonging with others.

The program gives individuals a better attitude about learning. It helps them develop their values and beliefs as they pass through adolescence.

Do you know what happens in the music room during C period? Well, if you said that one of the best band in W. Mass. rehearses, you're wrong. A.R.H.S. **Wind Ensemble** is THE BEST band, and we are hot!

W.E. is composed of selected musicians who take music seriously. The result is a group that's together on every beat, and our performances are always top notch. Whether it's Sousa, Williams or Del Borgo, it's no problem for us.

This year, in addition to conducting our regular concerts, Maestro Purcell took us on tour to Philadelphia.

The Wind Ensemble? Yes, we're pretty sharp!

BOOSTER DAY: A *SHOW OF SPIRIT*

THE THEATER COMPANY: IN THE SPOTLIGHT

With the discovery of the Theater Company by the powerful, influential, (and rich) Rockefellers, Amherst Theater has ascended into the National vocabulary. Research indicates these tidbits:

- Techies of the world, unite!
- What a piece of work is the A.R.H.S. Theater Company! How noble in reason! How infinite in faculties! In tech and acting how admirable.
- The New Deal means a chicken in every pot and seven amazing Theater Company productions a year.
- Ask not what your Theater Company can do for you, ask what you can do for your Theater Company! What more can we ask than fame?

The Linney Three - That's Tennessee, Why The Lord Came to Sand Mountain and The Death of King Philip, by Romulus Linney. He was supposed to come see our production, but even if he didn't, we still put on one incredible show. Linney's three plays each are plays - within - plays. These productions were notable because of the new people involved: 86% of these were novices. An impressive beginning to the year.

THE CAKE SALE: *SWEET DELIGHTS*

This year's **Junior Cake Auction** was superlative. Some of the more notable cakes were the Latin Cake, Russian Cake and the Junior's Batmobile. The money we earned this year will help pay for the Senior Prom and help the people of Ethiopia. We would like to thank the people who bought and made this year's cakes and made it possible for us to earn \$709.00.

As Seniors, we look forward to an even better year next year. And remember, you heard it first on A.R.N.A.V.

Because now that we have finally arrived, we are each handed a brand-new beginning, a fresh slate to do with as we please, the old one discarded. Who knows what will be written? Only time will tell.

Our record of 4-6 was one of neither luck nor magic. It was a combination of hard work by the players and coaches as the following passage indicates . . .

We came in August, the proud, the strong, and the few to achieve what no recent Amherst team had been able to do.

"We must win", said Coach Jacque in his eloquent style. Still, the pain of double sessions made us think that it might take awhile.

But we had to forget the past and worry about the present year. And make the Hurricanes a force for others to fear.

Guided by our Coaches Hebb, Wiley, and Jacque. We seemed to form a bond amongst ourselves and lock.

"We are a family interwoven in a web." Stressed ever-so-often by the Commandant Hebb.

Yet many obstacles did stand in our way. As injuries, mental lapses and girls hampered our play.

Hungrier still, we seemed to be. Destined to win so others would see.

That the group assembled was a special one. Gathered to win and to have fun.

As the going got tough and we began to frown. We recalled how the Coaches said: "Never give up and never back down."

And win we managed to do. Unlike seasons such as the previous two.

And the following words should be remembered throughout. As the Commandant himself did shout,

"Never shall you walk with your heads down the halls" He uttered after our triumph over Turners Falls.

And the others in the school, town, and League have awoken. For the mighty Commandant Hebb has just spoken. -M.L.

Thanks Coaches, Kim, Laura, Keith; So long Gus, Crunch, Breeze, K. Russler, Daisy, Shmalk, Monk, Whitey, Soccer, Runt and Jeep.

Girls X-Country 1st r.: A. Chumbly, Z. Carpino. 2nd r.: E. Sylvia, M. Orlen, K. Pyle, R. Reimer. 3rd r.: J. Farris, M. Osborn, B. Pelkey, J. McIntire, D. Arnaboldi, Coach Hastings.

The 1984 **Boys' Cross Country** season was tremendously successful, considering that we didn't train over the summer. (Coach Crowley had to make a few "minor" adjustments on his workout schedule.) The Hurricanes trampled their opponents enroute to an 8-2 record and a second place finish in the U. Mass. Division 1 Championship Meet. And next season . . . Cathedral, this year's champion, will take one look at our list of returning seniors and run in the opposite direction. Highlights of this season . . . parading around with the Wickham Park Trophy, the Coach's sprint through the finish at Northfield, philosophizing on long bus trips.

-Andy Dimock

So our record isn't really worth mentioning . . . BIG DEAL. What matters is that this was the first season Amherst Girls played as an official Soccer Team. With the help of the "veterans" as well as many new faces, we had a good group out on the field. Who can forget the first (and only) feeling of victory at the Ware scrimmage . . . EAT THEM UP . . . dinner at Pizza Hut, Kaneta's ridiculous shorts or that terrific ride out to the Westfield game? Thanks a lot to our captains Janet, Liz and Rosa for always being there when we needed you. And to Deb our goalie for saving us from despair. We've started something to be proud of . . . Good luck next year.

After a shaky start, the **Varsity Volleyball Team** began it's uncertain trek to the W. Mass. Tournament. Sadly, our dream of repeating last year's performance was shattered due to unseen difficulties during the Tournament. Considering we had only 3 returning Varsity players, we faired well with a 16-2 season record and a W. Mass 2nd place finish.

We give our thanks to Jeff W. the lollypop kid, the bench bums for scorching the wood, Mike B, the rich (now poor) musician, and finally to our Coach and Jeff for their overwhelming tolerance and moral support.

From us Seniors to returning Varsity players we say with love . . . kick butt, win W. Mass., trash Turners, and keep dancin' in the aisles!

The **J.V. Volleyball Team** had a great season and remained undefeated as usual. Good luck next year!

This year the **Cheerleading** squad has made an effort to reach its potential. Many hours are spent perfecting and performing cheers at the football and basketball games. Thanks to the enthusiasm and school spirit of the cheerleaders, we never gave up, even when it appeared hopeless. Thanks to Pauline Lego, who put up with our complaints and controversies, we made it through another season; and special thanks go to parents of the football players who showed a great deal of spirit and enthusiasm.

The success of the **Field Hockey Team** came as a surprise to many. With the dedication of all we ended the season with an 11-2-1 record and the 4th seed in W. Mass. Our biggest asset and motivation was the commitment of Coach Jane Keyes. We will all fondly remember . . . Smurf . . . I gotta . . . dodging the Ref's at Gateway . . . Our timed two miles- "big Harry deal" . . . who was that Soccer Coach at Greenfield? . . . our 2 second goal . . . The National Anthem . . . The animal cookies . . . getting lost in Palmer . . . A bus without brakes . . . and the scoop in the middle of nowhere . . . but most of all we'll remember how we pulled together and made it a great season.

J.V. Field Hockey: 1st r.: K. Barrette, K. Hansen, L. Lundgren, K. Melley, J. Hodges, E. Rogers, J. Cumps, S. Miles. 2nd r.: Coach E. Sockabasin, K. Patterson, N. Ring, J. Brehm, K. Mannheim, A. Markert, M. Doran, S. Brock, J. Fields.

Boys Swimming: 1st row: J. Whitney, A. Laus, E. Lewison, E. Osborne, K. Purcell, J. O'Donnell (coach); 2nd row: N. Dewhurst, D. Lepuc, D. Silver, V. Morris, D. Calderon, C. Abel.

Girls Swimming: 1st row: S. Gulliver, J. Spears, L. Willis, H. Swenson, C. Bennett, K. Nicholson, R. Sullivan, J. O'Donnell (coach); 2nd row: S. Sutliff, R. Garvey, A.A. Asebrooky, J. Lea, K. Pyle, K. Phillips, C. Weaver, Linda; 3rd row: A. Mosan, H. Flaherty, J. Asebrook, L. Bohn, K. Kohler, E. Hennessey, K. Bohn, I. Sherman, M. Orlen, A. May.

Despite the fact that we lost a few more meets than we won this year, all in all we had a successful season, we won every meet we had against the strong teams of Southern California. Many of our younger swimmers have bright prospects for the future, such as freshman Aaron Osborne and distance freestyler Ben Silver, so we expect to be the state champions in a few years. We are only losing two seniors, Danny Calderon and Andy Hilt, and expect to have many new members next year. We may also lose Vince if he whimps out. We also enjoyed looking at the female swimmers who had such measurements as 36-25-34 and 32-23-33. My eyes are still sore.

-Dan Silver

Girls' Gymnastics: 1str.: M. Collura, L. Shumway, A. May, 2ndr.: J. Gourelly, K. Kroodsma, K. Muench, K. Muench, J. Sicks, L. Theilman, G. Tudryn.

This was another terrific season for the **Girls' Gymnastics Team**. Our record was 7-2. Coaches this year were Michelle Santigate and Sar Gagan, who helped us accomplish a lot by working us hard. This year the team really worked together more than we have in the past.

All of our work and effort paid off in W. Mass. when we went into the competition in third place and came out second losing by a mere tenth of a point. Our team looks very strong and we will only be losing one senior. Next year we are looking forward to another winning season.

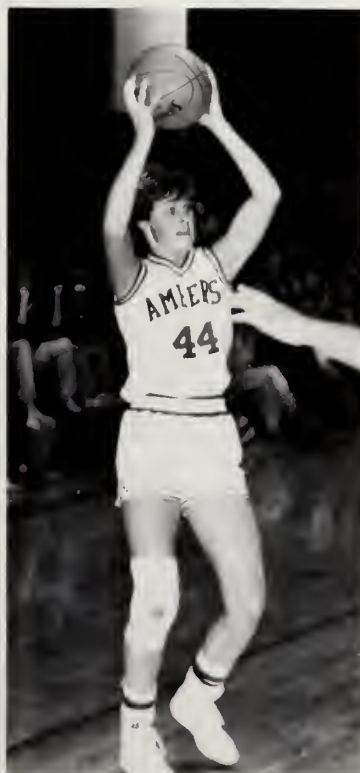

Girls V. Basketball: 1st row: A. Barrette, R. Jackson, C. O'Neil, S. Camacho; 2nd row: K. Graves, L. Lengieza, J. Fink, T. Jones, M. Chestnut, K. Pratt, M. Shea (coach).

This year's **Girls' Basketball** team continued its winning ways, posting a season record of 17-1 and winning the league title. For the second year in a row, the team was seeded first in the Western Mass. tourney. The "Crushin' Crew" destroyed their opposition, scoring an average of 47 points per game more than they did.

The success of the team was due to excellent coaching and the support and perseverance of the members. After a disappointing one point, four overtime loss to Northampton, the team rebounded and came together to hand Hamp their only defeat — by a margin of 16 points.

This year will never be forgotten, not only for our on-court achievements and the cohesiveness of the team, but also for the varying personalities on the club. We'll all remember Pee-Wee's breakdancing, Nori's jokes, songs and giggles, the strut, Nel's thundering jumpstops, dippin' on the bus, TJ's apologies in the middle of a game, "wouldn't you like to be a pecker too?" The lucky feathers, Bina's flexibility, and Dodi's expressions and hot scoring streak. Not to mention Due's smashing the all-time school scoring record, dishing out over 100 assists this season, and P.S. We love you.

Now we're on to Western Mass., which we hope will bring us more memories and more success . . . we did it for Sheila

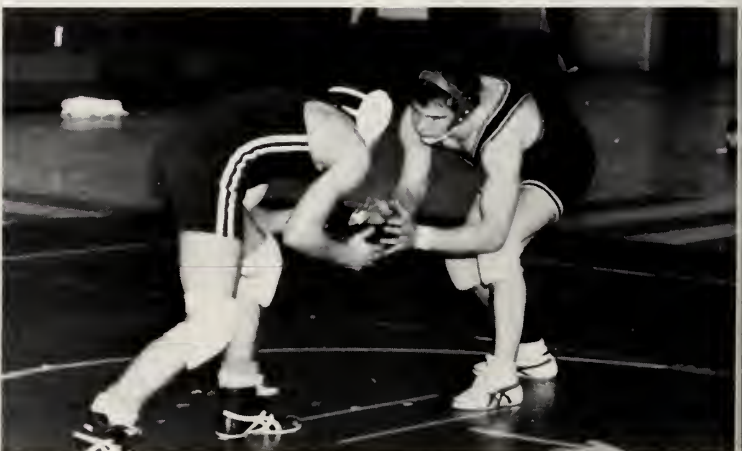

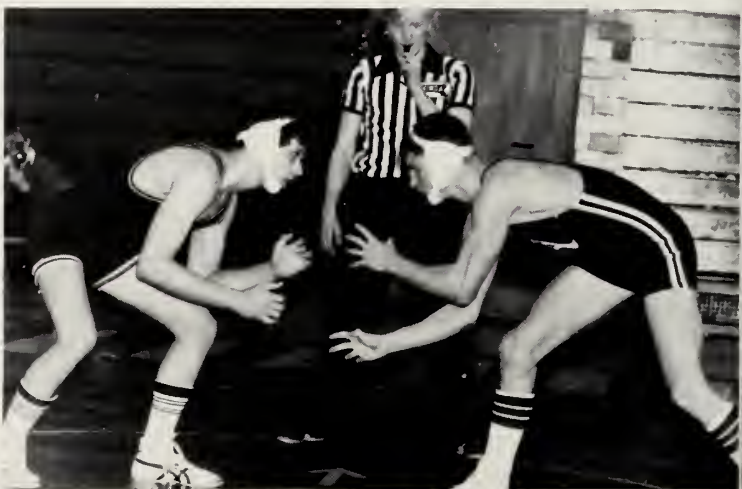

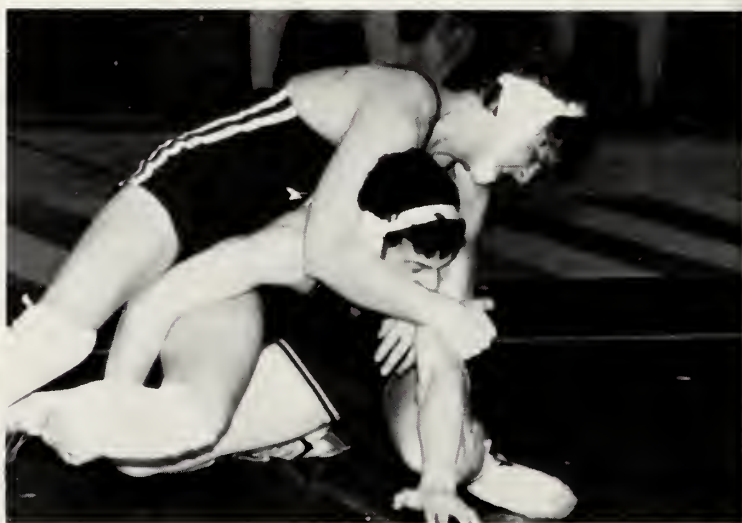

Girls J.V. Basketball: 1st row: A. Brown, K. Mannheim, M. Osborne, S. Miles, L. Terrizzi, L. Johnson; 2nd row: C. Kraft, K. Barratte, B. Pelkey, A. Marten, C. Page, K. Stiles, S. Chalmers, S. Murphy, J. Rose (coach). 99

Wrestling? What's that? You mean that thing they do on Saturday mornings with Andre the Giant and Hulk Hogan? NO! Wrestling is that thing that those guys from ARHS do that nobody ever comes to watch! That was one of our big problems this year, lack of fan support. There were other problems, as well as bright spots, as we finished 3-9, but the outlook for next season is excellent, as we are losing only our captains, Tom Moran (157 lb weight class), and Terry Knihnicki (187). Promising returners include: Tim O'Brien (100), Martin VenPelt (107), Pat Cobbs (114), Jim Moran (121), Joe Sherman (128), Tarik Haydar (134), Don Burrell (140), Mike Stiles (147), Scott Walen (169, injured this season), and Andy Rice (Heavyweight), as well as our coaches Chris Collins and Dave Wintsch. Highlights of the season: our crushing victory over archrival Hopkins, Matt Barrette's accident in Ludlow, and Andy Rice's Giantslaying. So next year, come out and watch us roll around with the competition.

A.S.

Wrestling: 1st row: M. Barrette, T. Moran, T. Knihnicki; 2nd row: T.O'Brien, D. Burrell, J. Sherman, J. Moran, M. VanPelt, T. Haydar. 3rd row: D. Wintsch (asst. coach), M. Stiles, A. Rice, P. Cobbs, C. Collins (coach).

Boys' Ski: 1st row: G. Rideout, M. Howell, D. Loughren, J. Hess, J. Hess, M. Brook, J. Hayward; 2nd row: P.K. (coach), H. Wiarda, R. Johnson, G. Moles, N. Weigel, J. Kaislanen, J. Masalski, A. Currin, T. Guy, M. Machine, P. McNeil, C. Carlen, R. Connelly, B. Moriarty, Laurel (asst. coach), T. Selig.

The **Amherst Regional Ski Team** got serious this year. Beginning in November with dry land training, coach P.K. whipped us into shape. When the snow finally arrived, we headed to Berkshire East (ice?) to conquer all the many challenges of the mountain.

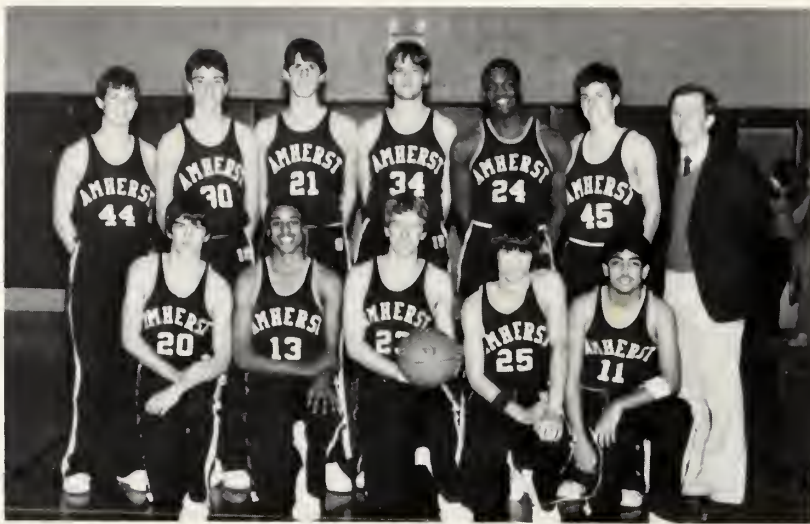

We'll never forget the team shared victories of Alan, Nicky, and Pia, or the tricky pranks some of the younger members of our team pulled. Saved by the strong leadership of our senior members (cough) our team pulled through to have a good time all season long.

We say a sad goodbye to Alan, Tom, Edwin, Conrad, Carroll, Randy, Peter, Lavinia, Carrie, Sue (kind of) and Janet (not at all). And, of course, we'll wait expectantly 'til next year to inhale hairspray fumes while standing in puddles in the bathroom.

P.S. Don't get in the way of P.K.'s beloving voice in the front of the bus.

Girls' Ski: 1st row: J. Platt, C. Kaneta, R. Loescher, M. Gibson, R. Winston, S. McBride; 2nd row: P.K. (coach), S. Cooper, E. Connelly, K. Gauger, C. Votght, L. Huner, C. Cooper, S. Austin, K. Keegan, Laurel (asst. coach), F. Berkman, P. Weigel, C. Selig.

Boys Varsity Basketball: 1st row: A. Ziomek, H. McErchern, J. Wills, J. Ziomek, J. Camacho; 2nd row: M. Willis, T.Volpe, D. Slovin, S. Shea, B. Wise, J. Woskiewicz, T. Styspeck (coach).

Boys J.V. Basketball: 1st row: J. Griffin, M. O'Connor, J. Arkes, A. Jackson, J. Wills, G. Miles; 2nd row: P. Swthwick, J. Waskiewicz, M. Stevens, J. Wermuth, M. Bowber, A. Melchionda, M. Willis, J. Gallagher (coach).

Hockey: 1st row: C. Ramsey, S. Cleary, S. Pierce, M. Lester, P. White, S. Kent, B. Fay, T. Boyton; 2nd row: B. Bray (coach), C. Lendberg, L. Cosams, B. Donielsan, D. Robinson, D. Cosams, M. Kraker, C. Camhell (asst. coach); 3rd row: J. Book, G. Ramsey, P. Torpey, J. Robinson, S. Kittrell, J. Maloney.

Reflections of a **Hockey** season are many. The moments are too short. The experiences will help us and teach us as we grow. There were no losers on the team. Everyone contributed to our success and everyone will benefit from it. Thanks to everyone who made our growth more fun (including the fans).

-S.P.K.

Boys' Squash: 1st row: D. Brown; 2nd row: J. Morel, T. Langdon, M. Little, D.J. Dugas; 3rd row: L. Briggs (coach), J. Hepinstall, N. Hopley, T. Benander.

Once again, the **Amherst Regional Gentlemen's Squash Team** retained its title as National Public School Champions, going undefeated against all opposition. In the private school division Amherst did not fare as well, but played with the gusto which has characterized the team for so many years.

Noteworthy incidents from this year's team included: the "optional" practices, Tim's sack injuries, notable absences at many matches, Joyce essays, and the propensity for flatulation of certain underclassmen.

We bid a fond farewell to Mike Little, Tim Langdon, Jon Morel, Dean Brown, and D.J. Dugas and wish those remaining good luck in their matches and nothing but clean air on the way home.

Before we highlight the '84-'85 **Girls Squash** season we would especially like to thank the Boys' Squash team for their "undivided support" during the match at Eaglebrook. (Yes Jon, Nick, and Jeff we mean you!)

This was a season full of fond memories; Kim and Ruthie singing under the x-mas tree in Boston, Natalie and Jenny locking themselves in the squash courts, the match that no one showed up at, the pizza parlor that reeked of polo, Sarah's unforgettable shorts, Kim's quick curtain call, getting lost in Boston, Emma knitting another sweater, borrowing Josie's goggles, "No broken ankles," the Briggs mobile, and our "Favorite" songs on the radio. Maybe next year we'll win a match.

P.S. Jon, Jeff, and Nick you look cute in the buff.

S.L., K.M.

Girls Squash: 1st row: S. Oates, S. Lapuc, K. McDowell; 2nd row: N. Ring, R. Loescher, L. Briggs (coach).

CYMBELINE

Cymbeline is a late-Shakespearean romance which nobody does, so in December, the Theater Company did it. The script itself is a fantastical hotch-potch: Roman legions and poisonous stepmothers, kidnapped princes living in caves, rapists hiding in chests, headless corpses, ghosts and sleeping potions. This sixth annual Shakespeare performance featured stand-out contributions from Seniors Geoff Hudson (original score), Mike Blane (lights), Gary Hewitt (set), Sarah Weir (ass't. direction), and Alan Gosman (stage-managing).
